This certificate is valid for three years and is only valid while the forenamed works for:

**SO. IMI Società Impianti Industriali SRL**

#### PROGRAM DESCRIPTION

The purpose of the Victaulic Vortex™ Integrator Recertification Course is to educate the Integrator community about Victaulic Vortex system improvements and advancements with related codes and standards. Participants will be informed of revised support materials and additional resources to aide with the design, installation, and maintenance of Victaulic Vortex Systems. To receive recertification participants are measured on their ability to complete the necessary steps to design a Victaulic Vortex system. Additional course information is available through Victaulic University Continuing Education upon written request by the individual noted above.
